Dear Mr. Milam:

This letter of support for Grants # G13-01-17-G01, G13-01-17-L01, and G13-01-17-P01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposals and believes these grants are appropriate given the quality motorized trail opportunities afforded the public at the South Cow Mountain and Knoxville OHV Areas. Increased management of these riding areas has become even more important given proposed legislation in Congress to designate parts of said areas as a National Conservation Area.

BRC strongly supports these grants and looks forward to working with you and other stakeholders to support managed OHV opportunity at the Ukiah Field Office.

Best regards,

Don
